

Certificate

Assembly and Installation of 8DA10 and 8DB10

Mr. José de Jesús Ponce Rodríguez
Suat T&D S. A. de C.V. , Mexico City / MEXICO

Hereby we confirm the successful participation of **Mr. Ponce Rodríguez** in the Assembly and Installation Training on the a.m. medium-voltage switchgear at the Siemens Training Center Frankfurt, Germany, as well as the practical instruction, assembly and installation on site under supervision of a senior supervisor.

Mr. Ponce Rodríguez is authorized to install, assemble and electrically connect the a.m. medium-voltage switchgear self-dependently, including mechanical and electrical tests on site.

Mr. Ponce Rodríguez is obliged to send written assembly and installation reports about all assembly and installation work executed on the a.m. switchgear to the Siemens Training Center Frankfurt, Germany, as well as to inform himself under his own responsibility about the latest state of technology of the switchgear.

This certificate is valid for 3 years from the date of issue, and can be extended with the consent of the Service Department Frankfurt, Germany.
